

INTERNATIONAL COURSE GUIDE 2023

WELCOME

“ As winner of the Victorian Training Awards - Large Training Provider of the Year, Kangan Institute and Bendigo TAFE are widely regarded as leaders in practical education and training. Whether you're after a new job, a pathway to a new qualification or want to try something completely different, we have the courses, teachers and facilities to support you. We provide an environment where you can be social and enjoy time with your peers, as well as offering practical student services to help you manage your study, work and family commitments.

At Kangan Institute and Bendigo TAFE, we place our students at the centre of everything that we do. Student voices are amplified through our Student Working Group. Students themselves have the opportunity to shape and enhance their experience by working in collaboration and partnership with teachers and other learning partners. Of course there are many other benefits to being a student at Kangan Institute and Bendigo TAFE – and this course guide outlines them all. Take the time to look through it and find the information you need to start your learning journey with us.

I look forward to welcoming you at one of our campuses in the near future.

LIFE IN MELBOURNE

Again and again Melbourne is named among the world's most liveable cities. The title is awarded to the city with the highest score for stability, healthcare, culture and environment, education and infrastructure. When you study in Melbourne, you'll be living in a safe and vibrant city that offers world-class study options, services and the widest range of things to do.

Home to more than four million people from different religious and ethnic backgrounds there are many reasons to choose Melbourne as your study destination.

BEST STUDENT CITY

Melbourne has once again been recognised as Australia's best student city and one of the best student cities globally in the QS Best Student Cities Ranking for 2022.

Key features such as desirability by students, affordability, diversity, safety and employment opportunities are the main indicators why Melbourne attracts international students from all over the world every year.

SAFETY

International students in Australia can feel confident that they will be accepted and respected due to its extremely diverse culture. Melbourne is one of the safest cities in the world to live, work and study.

AFFORDABLE

Melbourne is a very affordable city to live. The Australian Government specifies AU\$21,041 as the minimum amount required covering your annual living costs. This figure excludes tuition fees and the cost of travel to and from Australia. It is the minimum required to pay for your accommodation, commute to campus, buy food, have fun, and pay for all the little extras that you need day-to-day.

Further information about living costs in Melbourne can be found at liveinvictoria.vic.gov.au

TRANSPORT

Melbourne's public transport is efficient, inexpensive, safe and extensive. There is a network of trains, trams and buses which all service our campuses. If you don't live too far from your campus, you might consider cycling, using one of Melbourne's many safe and accessible bike paths.

Further details about the public transport system can be found at ptv.vic.gov.au

ARTS, CULTURE AND DIVERSITY

Melbourne is a vibrant and multicultural city that regularly celebrates its diversity through cultural festivals and events. To complement this, without a doubt, Melbourne offers some of the best food in Australia. With people from so many countries now calling the city home, you'll be spoiled for choice.

While you're studying here, why not make the most of the many activities and attractions on offer. Your biggest problem will be deciding!

THE SPORTING CAPITAL OF AUSTRALIA

If you're after a true Melburnian sporting experience, nothing beats heading to the iconic MCG (Melbourne Cricket Ground) for a game of Aussie rules football. Melbourne is also home to high profile international sporting events such as the Spring Racing Carnival, the Boxing Day test cricket series, the Grand Prix and the Australian Open Tennis Championships.

LIFE IN BENDIGO

Bendigo is a large regional city that offers a relaxed lifestyle and is only 90 minutes from Melbourne. It is home to Bendigo TAFE.

Bendigo has a proud, rich Chinese history. Bendigo was the centre of gold rush activity in the 1880s and is now Victoria's third biggest town with around 100,000 residents. It is proud of its gold mining history and celebrates this with museums and other tourist activities.

The city also has many gardens and bush walking tracks along with a variety of shops, galleries and cafés for you to enjoy. With wide tree lined streets, opulent buildings and monuments, Bendigo has a rich heritage and an exciting future for all international students.

OUR PATHWAYS

The Institute has formalised partnerships with reputable universities and English providers in Australia to provide students the ability to pathway directly into our certificate, diploma or advanced diploma programs or further studies in higher education.

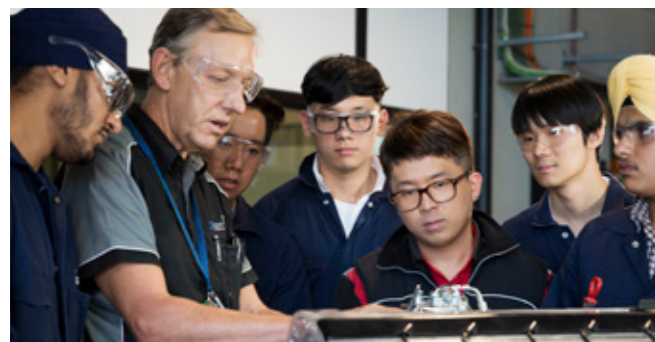

Diploma to degree pathways are a great way to obtain practical training before entering your chosen degree course and a great option for students who do not meet the entry requirements of the degree course. Students who successfully complete a diploma or advanced diploma may be eligible for 1 to 1.5 years credit in a related degree at any university.

For further information about our pathways please refer to kangan.edu.au/international/pathways

OUR TEACHERS

At Kangan Institute and Bendigo TAFE, we focus on excellence. We place our students at the centre of our design of learning and assessment opportunities.

Our teachers have current industry experience; some still work in the industry and have invaluable connections. The knowledge and experience in the vocational education sector enables our teachers to deliver value. Our personal approach means that you get one-on-one attention in class.

BRENDON COUCH
AUTOMOTIVE TEACHER

I teach at Kangan Institute because it is fantastic environment. The facilities reflect what the modern industry is like. The teachers and staff are very helpful and we assist in any way we can.

JOSEPH LEWIS
ELICOS TEACHER

People love to learn in a fun, interactive and fast-paced environment. Language is all about communication, so in every class I want to provide a space for learners to get to know each other and the world around them in English.

Teaching and learning is all about fostering our natural curiosity to explore the world around us. At Kangan Institute's ELICOS Centre we love to combine technology, fun and knowledge to foster and develop the learner's natural curiosity and provide space for them to express themselves in their new language.

HOW TO APPLY

All courses have prerequisites that must be met by all applicants. It is important that you check the prerequisites for your course before you apply.

Subject credits may be awarded to students who can supply evidence of successful completion of previous studies. These must be provided along with your application.

Kangan Institute does not charge an initial application fee. We will be the single point of contact for all your queries and will respond quickly when processing your application. Applications can be submitted directly to International Department (by mail, email or in person) or through an authorised **education agent**.

1. SELECT YOUR COURSE (S)

Select the course(s) in which you are interested and ensure that you meet the entry requirements.

2. COMPLETE THE REQUIRED FORMS

Please ensure that you complete all sections, sign and date the required forms:

CESAR GUSTAVO GODOY MOLINA
COSTA RICA, ELICOS

“It’s been a wonderful experience for me at Kangan Institute, especially for me because I came from another school. It’s very well located on the heart of Melbourne – very easy to get to school.

I’m very happy with the wonderful teachers. For me, it is very good as it focuses on writing, grammar and pronunciation.

SANTIAGO ALBERTO MEDINA RODRIGUEZ
COLOMBIA, ELICOS

“I studied cookery in Colombia and I’m studying English at Kangan because I wanted to complement my degree. I really like the campus because it’s very well located.

▪ ELICOS ▪ ENGLISH LANGUAGE PROGRAMS – DOCKLANDS

Our English Language Centre at the Docklands campus is city-centred and a short stroll from public transportation (free travel on tram if you live in the city), Melbourne’s famous boutiques and trendy cafés. The campus is also close to Queen Victoria Market, Southbank, Yarra River and the city’s main sporting precinct, which makes for some exciting class excursion destinations!

At this campus, we offer the following English Language Courses:

- General English
- English for Academic Purposes – EAP

You will learn using innovative print and audio-visual resources, technology (iPads and VR goggles provided during lessons) with regular class, individual, pair and small group work activities providing excellent opportunities to practice communicating in English.

Our teachers enforce an ‘English only to be spoken’ rule in the classroom to ensure all students improve their language skills as quickly as possible.

ASSESSMENT AND PLACEMENT

Students are tested for proficiency during orientation and placed in a class according to their English language level. Our class sizes vary from 10 to 18 students.

CLASS ASSESSMENT AND PROGRESSION

Assessment includes class activities, assignments, presentations and tests. Students generally spend 10 weeks at each level. For example, a student who enters the programme with an IELTS score of 4.5 would generally require 20 weeks of ELICOS to reach the equivalent of IELTS 5.5. Students who complete the upper intermediate, advanced levels or EAP receive direct entry into courses at Kangan Institute. Please refer to individual courses for English language entry requirements.

OUR TEACHERS

All classes are taught by fully qualified and highly experienced teachers with specialist qualifications in Teaching English to Speakers of Other Languages (TESOL). Our teachers have lived and taught in Europe, the Middle Eastern Gulf, Asia and Latin America.
